

## Panoramaxx Hybrid CLT

Articlenumber: HY2T6K004001  
GTIN: 4050369081000  
Unit: 1 Stück  
Weight incl. packaging 0,90 kg  
Weight excl. packaging: 0,68 kg

### Highlights

Discover the ultimate protection: The new Panoramaxx laser welding helmets developed by the leading experts in welding protection (Optrel) and laser protection (laservision). Safety and comfort combined in one revolutionary product! The laser welding helmets set new standards in the industry.

The Hybrid CLT (Crystal Lens Technology) model is the premium version of our helmet and offers the best view without color distortion, thanks to a coated interference filter. This high-end solution guarantees unparalleled clarity and protection, ideal for demanding welding work where precision and safety are top priorities. Perfect for professionals who demand only the best.
